ONLINE POSTER COMPETITION
FOR ENGINEERING STUDENTS

Our State as well as the whole nation and the whole world is currently facing one of the worst pandemic situations ever, the COVID19. Students have lost a part of their academic year to the nation wide lockdown. EMC wishes and prays for everyone’s safety and well being. The lockdown has made us confined to our homes. Our Hon'ble Chief Minister, Shri. Pinarayi Vijayan has urged students to make use of these free times productively to improve one’s knowledge and creativity through online platforms or any other means conforming to the rules and regulations of lockdown.

It is without doubt that we are consuming much more electricity at our homes under the current circumstances. We wish to encourage engineering students to use this period as an opportunity to explore and learn more about energy conservation, latest technologies and best practices across the globe.

An online competition is being organised by EMC for students to present their ideas and knowledge in the form of ‘Posters’. Students may involve their parents for ideation and thus make this competition more of a learning experience for every one involved and make energy conservation and energy efficient usage a part of their lives.
THE GUIDELINES FOR THE POSTER COMPETITION

- Students are to make posters intended to create awareness on Energy Conservation and its efficient usage.
- Students can use both Malayalam and English language.
- The poster should feature a ONE LINER upon which the whole idea should resonate.
- Submissions are to be made on or before 30th April 2020 by email: etrsep@gmail.com with the subject line "Corona-Days-EMC-SEPTech".
- Scanned copy or photo of Hand Drawn posters as well as digitally prepared posters are accepted.
- Single demy should be the minimum size used for poster design.
- Students are encouraged to explore new ideas and latest technologies pertaining to Energy Conservation and Energy Efficient usage and make posters on the same.
- Hard copies of selected posters may be sent to EMC Kerala.
- Following details are to be mentioned along with submission - Student’s Name, Branch and Batch, College, Address, Contact Number, Email Id.

There should not be any picturisation about a particular person or a particular establishment. Also, there should not be any mention about religion or politics. The design should be the students own creativity. After the submission, the design will be under the rights of EMC. Judgement once made is final.

The most creative, expressive and knowledge packed posters will be rewarded and given special state level recognition by EMC. Prizes will be awarded to students for the First, Second and Third best posters as well as consolation prizes for the next 5 best posters. For more information please contact on the number +91-9037984168.
