One crore LED bulbs will be distributed by the Kerala State Electricity Board (KSEB) and the Energy Management Centre (EMC) together for saving power, Minister for Electricity M.M. Mani has said.

He was inaugurating a function organised by the EMC to present the Kerala State Energy Conservation Awards for 2020 on Wednesday.

The Minister said that in the wake of difficulties in implementing large-scale hydel power projects or coal-fired power plants, solar, wind, or small hydel power projects should be implemented. Minister for Tourism Kadakampally Surendran said energy conservation had a significant role in sustainable development.

Kerala Minerals and Metals Ltd.; Fertilizers and Chemicals Travancore Ltd.; Milma, Kozhikode; Keya Foods International Pvt. Ltd.; Christ College, Irinjalakuda; Kanakkary grama panchayat; and J.S. Sonu received the citation from the Minister.

Hindustan Organic Chemicals; HLL Lifecare; KIMS hospital, Thiruvananthapuram; Mar Athanasius College, Kothamangalam; Sabeer Malappuram; Biju Mathews K.C.; Athul Energy Consultants; and Five Sustainability Consultants received the citation from Mr. Surendran.

Energy Secretary Dinesh Arora was present on the occasion.
