

KERALA STATE ENERGY CONSERVATION AWARD - 2020

OBJECTIVE

To give recognition to the selected enterprises, organisations and individuals who have made systematic and serious attempts for efficient utilization of energy, conservation of energy, research and promotion of energy efficiency during the year 2019-20 in the State of Kerala.

THE AWARDS

The awards are proposed to be given in the form of a Plaque with appropriate citation on such award, as may be decided by the State Level Monitoring Committee for Energy Conservation (SLMCEC) in Kerala.

SI No	Category	Prize
1	Large Scale energy consumers	Citation, Plaque, Rs. 1,00,000/-
2	Medium Scale energy consumers	Citation, Plaque, Rs. 1,00,000/-
3	Small scale energy consumers	Citation, Plaque, Rs. 1,00,000/-
4	Buildings	Citation, Plaque, Rs. 1,00,000/-
5	Individuals	Citation, Plaque, Rs 50,000/-
6	Institutions & Organizations	Citation, Plaque, Rs. 1,00,000/-
7	Retailers /Traders	Citation, Plaque Rs 50,000/-
8.	Architectural firms and Green Building Consultancy	Citation, Plaque, Rs 50,000/-

The performance would be judged through the proforma (format enclosed) which would be evaluated by the Committee and if needed through a video documentation/visit/interview by the Award Judging Committee.

The judges reserve the right to move an entry of a participant from the category applied by to another category, at their discretion, if the criterion of participants profile and/or Energy Efficiency & Energy Conservation measures is found so by the Judges.

The applicants in the category of Individual / Institutions & Organization while highlighting their “research and innovation” may submit the details of tests, testimonials, certifications authenticating their work/ from an approved/accredited institution/lab as applicable. In the absence of the same the Judges, if not otherwise able to infer and confirm the Energy Efficiency & Energy Conservation potential, reserve the right to reject such applications

The Committee would take a final decision depending upon the number of entries received and other considerations. If suitable applicants are not identified to qualify, the award in that category will not be given. Those enterprises/organizations/individuals, who have received Awards within the last three years, if adjudged to be eligible for recognition in this qualifying year too, based on their performance, will be eligible for a Commendation Certificate.

The qualifying period for the award is the previous financial year from 1st April 2019 to 31st March 2020. However, as conservation efforts require longer period for implementation in some cases, the work in this direction for the immediately past 3 financial years will also be reviewed. For the

HT/EHT consumer compliance of G.O (Rt) no.2/2011/P.D. dated, Thiruvananthapuram 01-01-2011 is compulsory.

ELIGIBILITY/CATEGORISATION

The scheme is open to all enterprises in the State of Kerala, as per the categorization listed below.

Category 1: Large scale energy consumers

(Including large scale industries –All consumers in the State with a total (electricity + fuel) annual energy consumption more than 1000 TOE (Ton of Oil Equivalent)) and industries that notified as Designated consumer as per EC Act 2001.

Category 2: Medium scale energy consumers

(Including medium scale industries– All consumers in the State with a total (electricity + fuel) annual energy consumption between 150 to 1000 TOE) and the distribution licensee other than Designated consumer notified by central Government as per EC Act 2001.

Category 3: Small scale energy consumers

(Including small scale industries – All consumers in the State with a total (electricity + fuel) annual energy consumption up to 150 TOE)

Category 4: Buildings

(Commercial Buildings other than designated consumers and Public Buildings-new & retrofits-including hotels, hospitals etc who have implemented energy conservation/ efficiency/e-mobility programs)

Category 5: Individuals

(Including Individuals involved in promotional efforts and Research & Innovation in energy conservation, energy efficiency, e-mobility), BEE Certified energy Managers and Auditors

Category 6: Institutions & Organizations

(Including Local Bodies, Energy Auditing firms, NGOs and organizations involved in promotional efforts and Research & Innovation in energy conservation, e – mobility Manufacturers of BEE Star labeled equipment's, energy efficient retrofits/controls suitably proven and certified by competent /accredited labs/institutions in the State. And Institutions who has designed and/or developed such buildings/campus including LEED/green Building, GRIHA rated or ECBC Compliant building or with proven/certified Energy Efficiency and conservation including Green/Eco friendly considerations)

Category 7: Retailers /Traders

(Including Retailers and traders who are selling/distributing BEE star labelled products notified by Ministry of Power, Govt of India).

- under mandatory scheme viz Room Air Conditioners, Frost Free Refrigerators, Tubular Florescent Lamp , Distribution ,Transformer ,Room Air Conditioner (Cassettes, Floor Standing),Direct Cool Refrigerator , Color TV, Electric Geysers , Variable Capacity Inverter Air conditioners and LED Lamps and products.
- under voluntary scheme Induction Motors, Pump Sets, Ceiling Fans,LPG –Stoves, Washing Machine, Computer (Notebooks/Laptops), Ballast (Electronic/ Magnetic),Office equipment's (Printer, Copier, Scanner, MFD's),Diesel Engine Driven Mono-set Pumps, Solid State

Inverter,DG Sets,Chillers,Microwave Oven, Solar Water Heater, Light Commercial Air Conditioner and Deep freezers.)

Category 8: Architectural firms and Green building Consultancy

(Including Architectural firms and Green building consultants who has designed and/or developed such buildings/campus including LEED/IGBC / GRIHA /other or ECBC Compliant building or with proven/certified Energy Efficiency and conservation including Green/Eco friendly considerations)

CRITERIA FOR JUDGING THE MERIT

The Committee will decide the recipient of the awards on the basis of outstanding achievements and contribution in the field of energy conservation and management. The Award may not necessarily be decided on the basis of only quantitative achievements but also taking into account the various other factors such as innovative techniques and technologies adopted, commitment of the management, environment friendliness organizational set-up to promote energy conservation in the unit, etc.

The members of the Award Committee or their nominees may visit participating enterprises/organizations/individuals for verification of data supplied, if felt necessary, and it will be obligatory on the part of the participating units to provide necessary assistance and co-operation for such visits. The Committee may invite some of the short listed enterprises/organizations/individuals for presentation before finalizing the list of Award winning units. The short listed applicants will have to bear all the expenditure in this connection. Aspects that could be considered while judging the application includes the following

Industries (Designated consumers, Large, Medium, Small Energy consumers)	Institutions & Organizations:
<ul style="list-style-type: none"> • Corporate Energy & environment policy • Green purchase policy • Energy Manager • Energy Conservation cell • Worker’s representation in Energy Conservation cell • Energy Audit Frequency • Monitoring/Evaluation set up • Energy savings achieved • Capital invested for Energy Conservation • Training Programs/ number of personals trained in Energy Efficiency and Energy Conservation • Innovative Programs or Projects • Reduction in Specific Energy Consumption 2019-20 • Reduction in Specific Energy Consumption 2018-19 • Reduction in T&D Losss • E-mobility schemes /programs • Measures implemented exclusively for Energy Saving • Consistency in energy conservation efforts (last 3 years) • Efforts in Fossil Fuel Substitution • Quality Of Reporting • Final Presentation 	<ul style="list-style-type: none"> • Specify what is exactly innovation in promoting energy conservation • Participatory approach between society at large and NPO • Replicability • Geographical Coverage (District, State, country wide& International) • Consistency in efforts • Extend of Energy Saving Possible through your efforts • Benefit to society attributed to your Energy conservation effort • Recognition received for energy - environment conservation or management efforts • Efforts in Fossil Fuel Substitution attributed to your effort • E-mobility schemes /programs • Socioeconomic & environmental impact of your effort in promoting Energy conservation • Final Presentation

<p>Buildings (including Designated consumers in Building category)</p> <ul style="list-style-type: none"> • Certified Green Building Or Rated • Building management & Energy policy • Energy Manager • Energy Conservation cell • Energy Audit Frequency • Provision for Monitoring/Evaluation of energy conservation efforts • Energy savings achieved & carbon foot print prevented • Capital invested for Energy conservation programme • Training Programmes for employees • Innovative Programmes or Projects on energy conservation • Reduction in Specific Energy Consumption 2019-20 • Reduction in Specific Energy Consumption 2018-20 • Measures implemented exclusively for Energy Saving • E-mobility schemes /programs. • Consistency in energy conservation efforts (last 3 years) • Fuel substitution efforts • Quality Of Reporting • Final Presentation 	<p>Retailers /Traders.</p> <ul style="list-style-type: none"> • Efforts in Promotion of star labelled products • No of various star labelled products sold • Demarcated area in showroom to display star labelled products • Energy efficiency /conservation measures/energy audit conducted/implemented in own building • Training programs for employees on star labelled product • Attending Retailers /traders program for star labelling conducted by Bureau of energy Efficiency or energy management Centre • Incentives /discounts/offers for star labelled products, if any • Empanelled with Energy management Centre for distribution of star labelled products • Final Presentation • Maintaining database of Energy Efficient Products sold
<p>Architects and Green building consultants:</p> <ul style="list-style-type: none"> • Design of energy efficient building projects • No of Building with Green building certification (IGBC, LEED, GRIHA or others) • Empanelment /certification • Attending Certificate/training program /webinars on ECBC conducted by EMC • Design of ECBC compliant building • Innovative design interventions or Energy Efficient technologies • Consistency in energy conservation efforts (last 3 years) • Quality Of Reporting • Final Presentation 	

The Committee's decision would be final and no appeal for re-consideration is encouraged

INSTRUCTIONS FOR FILLING UP THE ‘AWARD PRO FORMA’

The data required for the proforma pertains to the accounting years 2017-18 , 2018-19 and 2019-20.

The enclosed proforma is only a format and thus information sought may be separately computer printed or neatly typed. The proforma could also be downloaded from the website of Energy Management Centre; www.keralaenergy.gov.in.

Certificates to the effect that the enterprise/organization is presently following all the statutory requirements pertaining to the safety and pollution control wherever applicable should be attached along with the pro forma.

The organisations should be in operation for at least for more than three years.

Important: Annual reports for last three years are required to be attached along with the “Award Proforma” in the case of large scale energy consumers.

The answers to the questions should be precise and specific and should be supplied in total compliance with the pro forma format. Additional information so as to support the case may be included referring to the criteria of evaluation as specified above. The deviations may lead to improper evaluation or the rejection of the application. Each and every query mentioned in the proforma needs to be answered. Even, if answer is ‘NO’ or ‘NOT APPLICABLE’ the same may be stated, instead of ignoring it. The Chief Executive of the enterprise/organization (or the applicant in the case of individuals) should sign the duly filled-in proforma.

SUBMISSION OF NOMINATION

Shall be submitted through any one of the following mode.

- a. Downloading application form from EMC website and forwarding the duly filled application form to ecawardsemc@gmail.com /ecaward@keralaenergy.gov.in.
- b. Through EMC Web portal .
